

## **Urgent Notice**

In June 2014, Indian medical students from Lugansk State Medical University and Donetsk State Medical University were evacuated due to the deteriorating security situation in the region and subsequently transferred to other universities in Ukraine. Some students have been approaching the Embassy regarding the difficulties that they are facing in obtaining the transcripts from their previous universities in Lugansk/Donetsk as well as original documents such as school leaving certificate, birth certificate, etc.

2. In order to have a clear picture about the number of cases still pending, the concerned students may please fill the attached form and email it to the Embassy at [cons1.kyiv@mea.gov.in](mailto:cons1.kyiv@mea.gov.in) by Friday, 15 May 2015.

3. Please circulate this message to your friends and colleagues who were evacuated from Lugansk and Donetsk.

4. The Embassy is aware that the final exams of the students are commencing shortly and wishes all Indian students the best of luck for the exams.
